WELL—CRIFIELD.

At the bride's home at Germantown Wednesday evening last occurred the marriage of Miss Jennie Barton Criffield and Mr. William Boyd Roll, the Rev. S. H. Pollitt officiating.

No Poison in Chamberlain's Cough Remedy.

From Napier (New Zealand) Herald—Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlain Medicine Company, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had; and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. This remedy is for sale by all Druggists.

ELECTION TIMES

This Year Has Surpassed Others in Its Disgraceful Doings

The old town was in a chaotic state yesterday afternoon, and tonight she will have the delirium tremens sure in a good old-fashioned way.

It is an outrage that the good citizenship of the city has to give way to the hum element in the manner in which they have been compelled to submit to the disgraceful state of affairs during the past two weeks.

The quiet man, and the ladies as well, are liable to insult on every corner of the city, while the candidates are held in the light of common prey, and in a manner are held up in a highwayman style and compelled to give up the coin.

It is a terrible state of affairs and it is growing worse at each election. Something will have to be done to check this evil tendency of the times.

These conditions have been tolerated so many years that this worthless class has come to the conclusion that the town is theirs during election times. Is it not time to call a halt and give them to understand that it is not the intention to turn the city over to their keeping? Every last one of them should be run in when caught importuning for nickels and dimes to quench their thirst for red liquor.

It is hoped Chief Donovan will instruct his men to keep a watchful eye on their conduct today.

MAYSVILLE SHOULD BE PROUD.

Mr. A. L. Merz was the only buyer from Maysville attending the greatest carpet and rug sale ever held in the United States. It is estimated that nearly six million dollars worth of rugs and carpets were sold at this auction sale and it should be of great pride to the people of Maysville that Merz Brothers were represented there by Mr. A. L. Merz.

They bought considerable quantities of these goods and it will be probably two weeks before these goods arrive.

Merz Bros. say that not a person should buy a rug or a carpet until their sale starts. Then come to the sale and compare the goods and prices and then you will know why Merz Bros. are the leaders in Maysville.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Among the recent additions to Louisville's foreign population is THOTHMES II., born 1540 B. C., and who was King of Egypt from 1538 to 1526 B. C. He came over to the World's Fair and concluded to locate in Louisville and vote the Democratic ticket.

MR. KENOE might well wish to be saved from those "friends" who urged him to the course he has pursued since the election. No man ought to accept an office to which the people had elected another, or which could be gained only by depriving people of their votes by trickery, as was attempted in Fleming and Harrison counties.

RETURN TO VIVA VOCE.

The more we see of elections held under the secret ballot system the more thoroughly we are convinced that the whole system is a fraud and that this state should return to the viva voce system. There is too much cumbersome and expensive machinery connected with it. It has not decreased but rather increased bribery and corruption. It is not in any sense a safeguard against fraud, but is rather the promoter of it. Let us return to the open, manly way of voting and not attempt to hide in ambush that we may better plunge a knife into the man we claim to be supporting.—Flemingsburg Times-Democrat.

Thanks.

Many thanks.

For your emphatic indorsement of THE LEDGER's contentions as to the absolute "rotteness" and iniquity of the Goebel Election Law and its legal successors in Kentucky.

And now—

Who built up this "cumbersome and expensive machinery" that has "increased bribery and

corruption," and which is "the promoter of it?"

Was it a Republican Legislature, or was it a Democratic Legislature?

And was it a Republican or a Democratic member of the Legislature from Mason county, when asked what sort of an election law he was in favor of, replied.

"I'm in favor of any law that will help the Democrats!"

And when the last Legislature was considering the bill for the "cumbersome and expensive" Registration Certificate, which was a measure to "increase bribery and corruption," why was it that the Democrats voted down a Republican amendment providing a penalty for the purchase and sale of these certificates?

Oh, no!

Return to the viva voce system never!

A man's vote should be sacred; and because he chooses to exercise it as his conscience dictates, he should not be placarded as a subject for ostracism, either socially or commercially, as was the case under the old law and would be again if it were restored.

Never!

But let the Press of Kentucky unite in demanding an absolutely fair and honest Election Law for the state—a non-partisan law if you please—a law that will insure a free vote and a fair count for every citizen of the old Commonwealth—an honest deal for every Democrat in a Republican county, and an honest deal for every Republican in a Democratic county.

Are you in favor of that?

HEARING POSTPONED

Congressional Controversy to Be Heard Tuesday Next

For personal reasons, Appellate Judge Paynter yesterday morning declined to hear the motion by counsel for Congressman J. N. Kehoe of the Ninth District to dissolve the mandatory orders granted in Fleming and Harrison counties requiring the counting of returns from two Precincts, which returns would give Judge J. B. Bennett a majority on the face of the returns from the District.

The motion was renewed before Judge Nunn, and he postponed the hearing until Tuesday next, when the full Bench of the Appellate Court will hear arguments.

The State Election Commission will delay the canvass in the Ninth District until the Court at Frankfort disposes of the case.

Both Mr. Kehoe and Mr. Bennett accompanied their attorneys to Frankfort yesterday.

Don't Neglect Yourself.

1468 Second Street, Louisville, Ky., April 14, 1908.

I have been weak and sickly for the past four years, caused by irregularity and carelessness regarding the laws of health, but about five months ago my condition became very serious. I had severe backache and suffered a constant dull pain in my head. I spent weary, painful days, and miserable, restless nights. The doctor told me that I must have patience. His medicine did not, however, give me even temporary relief and as I had been told of the curative qualities of Wine of Cardui I decided to try it. I found that it relieved me of pain. As my general health improved my other troubles were gradually diminished and after five weeks' use of the Wine of Cardui I was once more a well and happy woman.

WINE OF CARDUI

Wine of Cardui regulates the menstrual flow, banishes headaches, backaches and bearing-down pains. Severe headaches, bearing-down pains, indigestion, loss of appetite and nervousness are symptoms of female weakness and should be given prompt attention. If you are troubled with menstrual irregularities do not let them run on. They will certainly grow into dangerous and chronic troubles. Get a bottle of Wine of Cardui and begin treatment at once. All druggists sell \$1.00 bottles of Wine of Cardui.

JUDGMENT REVERSED

Court of Appeals Decides a Big Sandy Railroad Case

The case of Brooker v. Maysville and Big Sandy Railroad Company, from the Greenup Circuit Court, reversed by the Court of Appeals before adjourning for Thanksgiving is, it seems, of more than ordinary interest to the public. The case is to be reported and involves the liability of the Maysville and Big Sandy Railroad Company in damages for injuries to passengers traveling on the various ferry-boats on the Ohio river operated and controlled by the C. and O. Railway Company. The Court of Appeals, adhering to its rule in the McCabe case from this county, holds that, for the injury done him while a passenger

on the ferry-boat going from Portsmouth, O., to Springfield, Ky., Brooker has a cause of action against both the lessor, domestic corporation, and the lessee, foreign corporation; that as both corporations must answer in damages, therefore the Greenup Circuit Court and not the United States Circuit Court of Catlettsburg is the forum where the case must be tried; and it is so ordered.

This case is one of several similar cases from this District wherein is involved the perplexing question of jurisdiction as between the state and Federal Courts; and it conclusively settles the much mooted question.

Mr. Allan D. Cole was Attorney for appellant Brooker and Messrs. W. H. Wadsworth and Worthington & Cochran were Attorneys for appellees.

MORE ABOUT "GRASSY"

The Bulletin's "Howl" Not Justified By the Real Facts

Vanceburg Sun.

The political Editor of The Mayville Bulletin continues to howl and claim fraud in Grassy Precinct in this county, but he puts up no argument and his howls show how deep the pig was stuck. In the first place, there is not a Democratic leader or a fair minded Democrat in Lewis county who believes there was a particle of fraud in Grassy Precinct.

There was a Democratic Judge, and a Democratic Clerk in Grassy Precinct who were recommended to the County Election Commissioners by the Democratic Central Committee, and they surely thought they were Democrats. These gentlemen came in and signed the certificate and will state today that the vote as certified was correct.

The vote shows on the face of it that it was correct, for the officers certified that Roosevelt received 106 majority in Grassy on the stub on which Bennett's vote was entirely left off, while the Republicans only claim 105 for Bennett.

Again, he states that the majority received by Bennett is twice as large as it ever gave any other Republican. U. C. Thoroughman, Republican, carried it over R. D. Wilson, Democrat, for County Attorney three years ago by a majority of 99.

The Bulletin's arguments are made up of false statements and the little boy's "Canse."

FEARIS.

WHY PAY EXORBITANT PRICES FOR YOUR PLUMBING?

We will do it for you at legitimate prices and as near correct as science has developed the art. We do house heating that is successful; no experimenting. Good work, proven by time and successful operation, is our recommendation.

Croxton Post No. 9 G. A. R., will meet here December 3d at 2 p. m., elect officers for the year and give a free oyster supper to all in good standing. It's about time that this Post raised a flag on our schoolhouse.

Items of interest are very scarce at present and we have not had time to write what we have for reading about the National political landslide and redeeming the Ninth Congressional District on the 8th of November, 1904.

ATTEMPTED ROBBERY

Court Street Residence Entered Late Wednesday Night

Wednesday night at a late hour a man forced an entrance, with the evident intent of committing a robbery, to the residence of Mrs. Jones in Court street.

Miss Nora Clinger, sister of Mrs. Jones, happened to be indisposed and wakeful and when the intruder had arrived at the landing at the head of the stairs she heard him groping his way, and her suspicions being aroused she called to her twelve-year-old nephew, who was sleeping in an adjoining room, to awaken his parents, that a robber was in the house.

The boy arose and peeping through a partially opened door saw by the light of the moon, which shone brightly through a window at the head of the stairs, the man standing in the corner, and at once alarmed his parents.

When Mr. and Mrs. Jones appeared with a light they too saw the man beating a hasty retreat down the stairs.

On investigating it was found that the marauder had forced the bolt on the rear door of the hall and had thus gained an entrance to the house.

To the wakefulness of Miss Clinger may be attributed the detection and foiling of the house-breaker.

Nothing was missing from the premises, but the women folks had a terrible fright.

Secure your doors and windows and look well to the fastenings.

The Exact Thing Required for Constitution.

"As a certain purgative and stomach purifier Chamberlain's Stomach and Liver Tablets seem to be the exact thing required, strong enough for the most robust, yet mild enough and safe for children and without that terrible griping so common to most purgatives," says R. S. Webster A. Co., Udonia, Ontario, Canada. For sale by all Druggists.

Charles Boughton and wife by this means desire to return their thanks to the friends for their kindness shown during the sickness and death of their little daughter, Edna.

MARRIED IN LEXINGTON

Former Maysville Young Man Quietly Wedded Wednesday

The many friends in Maysville, his former home, of Mr. Leslie H. Lewis will be surprised to learn of his wedding, which occurred in Lexington Wednesday evening.

His bride is Miss Maud Christian, the daughter of Mr. and Mrs. Milton Christian, and was a teacher for several years in the Fayette county schools. She is admired for her charm of manner and fine capabilities.

Mr. Lewis is the son of Mrs. H. P. Lewis and is an engineer for the C. and O. Railroad.

The ceremony uniting the young couple was performed at the home of the officiating Minister, the Rev. Preston Blake, and was witnessed by only a few of their relatives.

Mr. and Mrs. Lewis are now on a bridal tour to Washington and other Eastern points, and on their return to Lexington will go to house-keeping in a cottage in East High street.
